

# 2022 IA National Gathering

## Registration Discounts

The Imagining America consortium (IA) brings together scholars, artists, designer, and organizers to imagine, study, and enact a more just and liberatory 'America' and world. IA's 2022 National Gathering: Rituals of Repair and Renewal will be held October 14-16 in New Orleans. [Registration is now open!](#)

We offer several registration discount options available to IA members and non-members. Details on registration discounts can be found below. Please share these registration discount opportunities with your colleagues, students, and campus leadership!

### IA Member Discount and One Free Registration

As a benefit of IA membership, each member institution is entitled to discounted registration rates, as well as one free registration. The decision about how to use this one free registration is left to the discretion of the member campus liaisons who receive the promo code. You can find a list of all IA member institutions [here](#). If you do not know your campus liaisons, please email [gathering@imaginingamerica.org](mailto:gathering@imaginingamerica.org).

### Early Bird Discount

Early bird registration offers a discount for individuals who register by September 2. This discount is valid for all registration levels: IA member, non-member, sustainer, community-based, and student. [Discounted hotel rates are also available](#) through our partner hotel, NOPSI. The discounted room block deadline is September 16. There are a limited number of rooms available, so book your room early to secure the lowest rate.

## **Team Discount – Buy 4, Get 1 Free**

Team discounts encourage the participation of institutional and campus-community teams. Teams receive one additional complimentary registration for every four individuals from the same institution (or from collaborating partner organizations) who register at the full, three-day rate. This discount is valid for teams from both member and non-member institutions. To receive this discount, please email [gathering@imaginingamerica.org](mailto:gathering@imaginingamerica.org) with your request and a list of names and emails for five teammates. Please also indicate which registrations will be paid and which registration will use a promo code for free registration.

## **Student Cohort Discount – Buy 4, Get 1 Free**

Student cohort discounts encourage the participation of cohorts of undergraduate and/or graduate students. Cohorts receive one additional complimentary registration for every four students from the same institution who register at the full, three-day rate. This discount is valid for cohorts from both member and non-member institutions. To receive this discount, please email [gathering@imaginingamerica.org](mailto:gathering@imaginingamerica.org) with your request and a list of names and emails for five students. Please also indicate which registrations will be paid and which registration will use a promo code for free registration.

If you have any additional questions regarding registration for the 2022 National Gathering or IA membership, please contact us at [gathering@imaginingamerica.org](mailto:gathering@imaginingamerica.org) or 530-297-4640.
